

How to Declare United Way BC Work Experience Opportunities Grant (WEOG) Income on Monthly Reports to Ministry – HR0081 Form

Any income received from United Way BC Work Experience Opportunities Grant (WEOG) should be declared in the monthly report.

Under question 1:

Any employment changes?: To avoid confusion between work experience and employment, the WEOG participant should select 'No' for 'Any employment changes.' ***See note for question 1.**

Please explain all changes including income and submit proof: Add a comment (for example, 'Participating in Work Experience Opportunity WEOG with ABC Society'.) Attach documents to confirm funding is from WEOG.

Under question 2:

All other income/money received: Any income received from United Way BC Work Experience Opportunities Grant (WEOG) should be declared on this line: 'All other income / money received'.

***Note for question 1:** Selecting 'No' for 'Any employment changes?' assumes the participant has not become employed elsewhere during the reporting period. If they have become employed elsewhere during the monthly reporting period, (and they have not previously reported the change), then they will need to report this employment change (in addition to the work experience).

This program is funded by the Government of Canada and the Province of British Columbia.
